

**Hey guys, I made up the map a little because it's a bit old. It's not perfect, but should give you the idea. If you follow the red line you should get there ok. The tracks are marked out in blue, they are also rough. From town you go over the bridge, to the Mornington round about, towards Howrah then follow that line. If you need help call me 0439 624 715**
